BOYS & GIRLS CLUB
OF BURBANK AND GREATER
EAST VALLEY

February 1, 2010

Dear Friend:

The Boys & Girls Club of Burbank and Greater East Valley is a unique organization consisting of one Clubhouse and 12 after-school enrichment sites that focus on developing children's academic and social skills. The mission of the Boys & Girls Clubs of Burbank and Greater East Valley is "To inspire and enable all young people to realize their full potential as productive, responsible and caring citizens."

On **May 8, 2010**, we will be hosting our **15th Annual Dinner and Auction, Heroes and High Hopes, honoring: Donna Anderson** (Burbank City Treasurer), **Lucy Burghdorf** (Community Relations Manager for the Bob Hope Airport), **Ken Marinace** (Owner of Comprehensive Financial Services), and **Louise Palanker** (writer, producer and comedian). We would be honored if you would become a sponsor and help make this year's event our most successful event to date and help honor community heroes that has done so much for so many. A description of the sponsorship details is enclosed. We realize the ability to host fundraising events such as this would not be possible without the generous support of our sponsors. Therefore, we will make every effort to recognize your generosity so that the community is aware of the contributions being made to help to create a better tomorrow for our youth.

Your decision to support this event enables the Boys & Girls Club of Burbank to expand our programs exponentially. We currently serve over 850 youth a day and **no child is turned away due to an inability to pay**. Our goal is to continue growing so that we can reach all children and families in the area who need our services, but we depend on the generosity of individuals and businesses like you to make that possible. Our effective Teen Program focuses exclusively on the needs of teenagers and is completely **free** to all attendees. Programs such as this would not be possible without your continued support.

Every day, Boys & Girls Clubs of Burbank strives to improve each child's life by providing a range of programs that focus on developing a youth's self-esteem, sense of competence & belonging, courage and positive values. These programs include tutoring, computer training, fitness and health education, homework help, arts education and mentoring.

Please say yes and make a difference in the lives of young people that truly need your support. You can indicate your level of interest by completing the enclosed form and sending it back to us by via fax or mail. Should you have any questions before then, please do not hesitate to contact us at (818) 842-9333 ext.14.

Thank you for your consideration!

Sincerely,

Dan Stillwell
President, Boys & Girls Club of Burbank
